Pearl River

GP150
Designer Petite Grand Piano

The dramatic 5' Petite Concert Grand captures the finest in concert-hall fidelity on a home-friendly scale. The rich, warm European tones and classic lines reflect a "Euro-method" tradition enhanced by the latest in piano design, construction and detail. This heirloom quality instrument delivers professional quality on every level.

The Pearl River Piano Group Ltd. was established in 1956 and has rapidly grown to become one of the world's leading piano manufacturers. Today with nearly 4,000 employees and over 3 million square feet of production space, Pearl River has the capacity to manufacture over 100,000 pianos per year.

Pearl River is proud to be the first piano factory in China to be awarded the ISO 9001 Certification for Quality Control Systems and was also recently awarded ISO 14001 for Environmental Management System Compliance.
