Pearl River

GP 188A Grand Piano

The new GP 188 is the stylish workhorse of grand pianos. Its dominant size and design allow for a larger soundboard and strategic placement of the bridges to provide exceptional musical power, volume, tone and projection. By combining the finest in "Euro-method" craftsmanship with state-of-the-art design technology, Pearl River has created a powerful instrument perfect for large music rooms, teaching studios, and small performance halls.

The Pearl River Piano Group Ltd. was established in 1956 and has rapidly grown to become one of the world's leading piano manufacturers. Today with nearly 4,000 employees and over 3 million square feet of production space, Pearl River has the capacity to manufacture over 100,000 pianos per year.

Pearl River is proud to be the first piano factory in China to be awarded the ISO 9001 Certification for Quality Control Systems and was also recently awarded ISO 14001 for Environmental Management System Compliance.
