Pearl River

GP 275 Concert Grand Piano

The GP 275, Full Concert Grand is the culmination of Pearl River's dedication to building quality, world-class pianos. Utilizing the finest materials and state-of-the-art technology, Pearl River has created a performance focused instrument that will fill a concert-hall with power and tone worthy of any piano in the industry. This is a benchmark in Pearl River's impressive international lineup.

The Pearl River Piano Group Ltd. was established in 1956 and has rapidly grown to become one of the world's leading piano manufacturers. Today with nearly 4,000 employees and over 3 million square feet of production space, Pearl River has the capacity to manufacture over 100,000 pianos per year.

Pearl River is proud to be the first piano factory in China to be awarded the ISO 9001 Certification for Quality Control Systems and was also recently awarded ISO 14001 for Environmental Management System Compliance.
